

NOTICE OF POTENTIAL DISCLOSURE OF STUDENT RECORDS

Please read this notice carefully. This is a message from the United States District Court in the case identified above. Attorneys, representing children with disabilities and their parents in a class action lawsuit concerning certain special education services and policies in New York City, are seeking access to student records, which are covered by a Confidentiality Agreement between the parties and will not be disclosed to anyone other than the parties' attorneys, their experts, and the Court. **No student's records will be disclosed to the public or to any other student or parent without express consent of the student's parent/guardian or by a student now over eighteen years of age.**

This notice may apply to you if you are a current or former student, or the parent or guardian of a student who had an Individualized Education Program ("IEP") prepared by the New York City Department of Education between 2003 and 2016 **AND** either:

- 1) attended a **State-approved non-public school; OR**
- 2) was **diagnosed as autistic or classified as autistic** by a NYC Department of Education Committee on Special Education.

If your child was over twenty-one years of age on July 3, 2013, s/he is not a member of this Class and this Notice does not apply to you.

NATURE OF THE LAWSUIT

In the lawsuit, *M.G. v. NYC DOE*, the plaintiffs are children with disabilities and their parents. The plaintiffs represent classes of New York City students who attend or attended New York State-approved non-public schools or are classified or diagnosed as autistic ("class members"). The plaintiffs allege that the New York City Department of Education and the New York State Education Department have violated the Individuals with Disabilities Education Act, among other related laws, by adopting policies that prevent class members from receiving certain special education services. The NYC Department of Education and the State Education Department deny these allegations. Plaintiffs seek, among other relief, injunctions to change these alleged policies.

REQUEST FOR DOCUMENTS

As part of this lawsuit, Plaintiffs seek certain documents from the City and State Departments of Education which contain protected personal information of student class members.

“Protected Personal Information” includes but is not limited to: student names; parent and guardian names (including maiden names of mother); names of family members; social security numbers; home addresses; and home phone numbers; and date and place of birth.

Examples of requested documents include: IEPs; impartial hearing records and transcripts; special education assessments and evaluations; report cards and progress reports; and documents provided by a parent for the student’s file.

To ensure that the documents are kept **strictly confidential** and will **only be viewed by the parties’ attorneys, their experts, and the Court**, the parties have entered into a court-ordered Confidentiality Agreement.

STUDENTS’ ENTITLEMENT TO CONFIDENTIALITY

The Family Educational Rights and Privacy Act (“FERPA”), 20 U.S.C. § 1232g(b) and 34 C.F.R. § 99.31(a)(9)(ii), and the Individuals with Disabilities Education Act (“IDEA”), 20 U.S.C. §§ 1400, *et seq.* are federal laws that protect the privacy of student records. These laws permit the disclosure of these records pursuant to a court order, so long as the school district makes a reasonable effort to notify students and parents before disclosing the records and provides them with an opportunity to object to the production of protected personal information contained in these records.

If, after notice, a parent and/or student objects, the documents may be produced, but Protected Personal Information will be removed.

CONSENT AND OPPORTUNITY TO OBJECT

This notice does not affect any of your rights or your child’s rights in relation to the *MG* Litigation or any other matter you may have pending with the NYC Department of Education.

You are free to object to the disclosure of your child’s records. If you have an attorney or advocate assisting you, you may wish to speak with him or her about this Notice.
