Superintendent Search Survey Greenburgh 11 UFSD

Dear Colleagues,

The Greenburgh 11 UFSD School Board is working with Dr. Harold A. Coles, Southern Westchester BOCES District Superintendent, to assist with the search for the new Superintendent of Greenburgh 11 UFSD. We have begun to develop a plan and timeline, as well as a profile of the expertise and qualities we are seeking in our next superintendent. To assist us in this effort, we are inviting you to participate in a brief survey. The Board values your input and wants to provide an opportunity for all the stakeholder groups to share their views on the characteristics needed in a new district leader, as well as your thoughts on district aspirations and goals over the coming years.

Please click on to the link below to participate and share your ideas. All responses are anonymous and will be kept strictly confidential. Surveys should be submitted by the close of the business day (5:00 pm) on April 1, 2022.

The Greenburgh 11 UFSD School Board of Education is committed to keeping our school community informed throughout the search. Please check the district website where the superintendent search process timeline will be posted shortly.

Thank you for your help with this important responsibility.

Lisa Tane, Board of Education President
Greenburgh 11 UFSD
